LEARNERS

A path for every stage

Start free, build a skill, or commit to a full career program. Every paid course lists its mode, fee and what's included before you pay.

School students

SCHOOL STUDENTS · PARENTS

- ✓ Coding, Robotics & Electronics and AI programs for schools
- ✓ Free beginner courses: Python, HTML, Programming Logic and more
- ✓ School tuitions and summer classes — fees on request

College students

DEGREE, DIPLOMA, FINAL YEAR

- ✓ 10 Career Programs in data, AI, development, cloud and DevOps
- ✓ Internship and project training tracks with reviewed deliverables
- ✓ Placement preparation, DSA and tech interview preparation

Upskilling & reskilling

WORKING PROFESSIONALS · CAREER SWITCHERS

- ✓ 68 focused skill courses — AI, data, cloud, cybersecurity, business software
- ✓ Self-paced or recorded options that fit around work
- ✓ Communication & soft skills — fees on request

Institutions

SCHOOLS, COLLEGES, COMPANIES

- ✓ Workshops, faculty development programs and corporate upskilling
- ✓ Placement preparation batches for colleges
- ✓ Group fees for one trainer and an agreed syllabus

CHOOSE HOW YOU LEARN

Learning modes & fees

Fees are per learner per course — not monthly subscriptions. Each mode is a separate purchase; availability of each mode is confirmed per course before payment.

CAREER PROGRAMS & DIGITAL MARKETING

MODE & WHAT'S INCLUDED	REGULAR / OFFER
Self-paced Independent learning using released material; no live cohort included.	₹6,999 ₹4,999 per learner
Recorded batch Released session recordings and exercises; support schedule confirmed at enrolment.	₹10,999 ₹7,999 per learner
Live class Instructor-led group cohort and scheduled doubt clearing; exact hours confirmed per course.	₹17,999 ₹12,999 per learner
Internship track Defined project-based learning track; deliverables and review schedule confirmed before payment.	₹3,499 ₹2,499 per learner

SKILL COURSES

MODE & WHAT'S INCLUDED	REGULAR / OFFER
Self-paced One listed skill course at the standard catalogue rate.	₹2,999 ₹1,999 per learner
Recorded batch One released recorded skill course; availability and access confirmed.	₹5,999 ₹3,999 per learner
Live group class One focused skill cohort; up to 12 teaching hours and one project review.	₹9,999 ₹6,999 per learner
Project training track One defined learning project and 2 review sessions; no employment or stipend included.	₹1,999 ₹1,499 per learner

The four modes are separate purchase options. A lower-priced internship or project track does not include the full live course.

Where a live package includes internship certification, it is issued only after the required internship work is completed.

Advanced skill courses that need more teaching time are quoted separately. Free courses remain free.

10 PROGRAMS

Career Programs

Structured, project-based programs for job-ready skills. Career program fees for every mode:

SELF-PACED ₹6,999 ₹4,999	RECORDED BATCH ₹10,999 ₹7,999	LIVE CLASS ₹17,999 ₹12,999	INTERNSHIP TRACK ₹3,499 ₹2,499
---	--	---	---

PROGRAMS

PROGRAM · CATEGORY · DURATION · KEY TOOLS				REGULAR / OFFER	
Data Analytics				₹6,999	₹4,999
Data & AI · 6 weeks · Python, SQL (PostgreSQL/BigQuery), Power BI, Excel					self-paced

FOR SCHOOL STUDENTS

School programs, tuitions & summer classes

PROGRAM	REGULAR / OFFER
Coding & Computer Science for Schools A friendly first introduction to how computers and code actually work — for school students who are curious, not necessarily planning a career yet. Skill course fees apply.	₹2,999 ₹1,999 per learner
Robotics & Electronics for Schools A hands-on first introduction to electricity, circuits, and simple robotics — for school students who like building and figuring out how things work. Skill course fees apply.	₹2,999 ₹1,999 per learner
AI for Schools A clear, honest introduction to how AI actually works, and how to use it well — for school students who use AI tools already and want to understand them properly. Skill course fees apply.	₹2,999 ₹1,999 per learner
School Tuitions Tuition classes for school students. Subjects, timings and batch format shared on request.	Fees on request
Summer Classes Holiday-season classes for school students. Topics, dates and duration announced per batch.	Fees on request
School introductory workshop (for schools) One 3-hour session, up to 30 students; hardware kits extra.	₹9,999 ₹6,999 per group

COMMUNICATION, SOFT SKILLS & PLACEMENT

PROGRAM	REGULAR / OFFER
Communication & Soft Skills School and college students, job seekers and professionals. Communication and soft skills for study, interviews and the workplace. Batch format and syllabus shared on request.	Fees on request
Career & Freelance Launchpad Skill course · interview, career and freelance readiness.	₹2,999 ₹1,999 per learner
Tech Interview Preparation: DSA, LLD & Core CS Skill course · interview, career and freelance readiness.	₹2,999 ₹1,999 per learner
Placement preparation (college batches) 10 group hours, up to 25 learners; aptitude and interview exercises.	₹19,999 ₹14,999 per group

Placement assistance covers agreed preparation and guidance — there is no guaranteed job or salary.

SCHOOLS · COLLEGES · COMPANIES

Workshops & group training

Bring Data24Zone to your campus or office. Group fees for one trainer and an agreed syllabus.

STARTING FEES

PROGRAM & FORMAT	REGULAR / OFFER
Online introductory workshop One 2-hour session, up to 50 learners, digital materials.	₹7,999 ₹4,999 per group
College workshop One 5-hour day, up to 50 learners, one practical exercise.	₹14,999 ₹9,999 per group
Faculty development program Two 5-hour days, up to 25 faculty, exercises and one review.	₹24,999 ₹17,999 per group
Corporate upskilling One 6-hour day, up to 15 employees, one agreed tool or workflow.	₹24,999 ₹17,999 per group
School introductory workshop One 3-hour session, up to 30 students; hardware kits extra.	₹9,999 ₹6,999 per group
Placement preparation 10 group hours, up to 25 learners; aptitude and interview exercises.	₹19,999 ₹14,999 per group

Group fees for one trainer and an agreed syllabus. Travel, accommodation, venue, devices, kits and applicable taxes are additional. Higher participant counts or custom preparation are quoted separately.

BEFORE YOU ENROL

Certificates, payment & terms

CERTIFICATES & PLACEMENT ASSISTANCE

- ✓ Certificates are Data24Zone completion certificates, issued after the required work is passed. Vendor certification exams and vouchers are separate.
- ✓ Placement assistance covers agreed preparation and guidance — there is no guaranteed job or salary.
- ✓ Paid project training is an educational program. It does not include employment, a stipend, a client project or vendor accreditation.

PAYMENT & ENROLMENT

- ✓ Course quotations are valid for 15 calendar days from issue. Availability, mode, batch start, live hours, recording access, reviews and certificate requirements are confirmed before payment.
- ✓ A fee for one course or mode does not grant access to the entire catalogue.
- ✓ Self-paced, recorded and project training fees are paid before access begins. Live career programs can be paid in two instalments: 50% at confirmed enrolment and the balance before the midpoint, with due dates in your enrolment quotation.
- ✓ Refund and cancellation terms follow our published policy and are shared before payment.
